GREAT HOME-COMING CROWD VISITS BARIUM FOR BIG CELEBRATION

R. E. Jackins and Miss Hilda Bernardo Are Re-elected As Officers of Association

MAKE OFFERING

Alumni Unit Gives Almost $175.00 to Barium for Thanksgiving

A lot of delegations visit Barium during the year. Sometimes there are as many as 50 from a church or community. So we are used to having good looking people visit Barium; but we believe that the crowd that visited Barium on Saturday, November 30th, would take the prize for looks and on lots of other counts.

The weatherman was unusually kind. It was about the first Home-Coming day in which there was no hint of bad weather, either the the day before, during the day, or the day following. The Home-Comers commenced to drop in two days before, and by the time the big dinner was served on the 30th, there were enough present to fill Rumple Hall dining room clear up to the windows; and did those folks know what to do in that dining room! Take it from us, they did!

There was a short program given in the Primary School Building, for the entertainment of the old-timers, and this was followed by a pep meeting. After the dinner, the Alumni Association met and re-elected the officers of the preceding year. R. E. Jackins, of Barium, is President; and Hilda Bernardo, Charlotte, Secretary. And then, shortly after this meeting, everybody journeyed to the football field where a lot more Home-Comers had already gathered. There they saw the final game of the 1935 season played, and it wound up to suit everybody, except the visiting rooters for the Lumberton team.

This year, for the first time, the Alumni attempted to make a contribution to the Orphanage as an Association. There was nothing like a complete list of names of all the alumni, but the response from those contacted was remarkable. Something like a third responded and the total of gifts at this time is approximately $170.00. Many of those contacted had

ANNIE LOUISE

Dear Friends.

Just think, only twenty more days until Christmas. We have all written to Santa and are looking forward to his coming, we enjoy hearing him talk over the radio every night.

Our good friends, the Business Woman's Circle of Belmont, remembered us again at Thanksgiving. They sent each of us a nice package of candy, we enjoyed it very much and appreciate their kindness.

Ernestine Baldwin and Lucile Strickland have come to live with us, there are 34 in our cottage and we have good times playing.

Nakomis' mother brought a beautiful halloween cake and there was a slice for each of us. Many thanks Mrs. Brigance.

Several weeks ago, Mr. Sams invited us to the Playhouse to see "Bonny Scotland," and after the show Mrs. Horton Doughton treated us to ice cream. We enjoyed both very much.

Five of our girls were at the music club meeting last night, four of us were on the program and we had a real good time.

Mrs. Barrett visited Mae Allen a few weeks ago. She treated our girls and the Baby cottage to candy and chewing gum. There were fifty of us and we had a fine time.

RUMPLE HALL

Hello Folks! How are you? We are just fine although we are having some cold weather.

Have you been busy working? We sure have ever since Thursday, you know extra visitors make extra plates.

How did you like Thanksgiving? We sure had a nice time. We thank our friends for the nice things they sent us, especially the nice ice-cream Mooresville sent us, the chickens which came from friends at Steel Creek, and the cakes sent from the Blacknall Memorial Auxiliary.

Saturday was Home-Coming Day. We were glad to see all the old ones who came back. That afternoon we played our last football game for this season. The game was with Lumberton. The score was 32 to 0 in our favor.

We are all looking forward to Christmas, Santa's coming.

Helen Price, one of our girls, spent Thanksgiving day with her mother. She reported a nice time.

As news grows short I'll sign off this time. Don't let the cold weather get you. Wishing you a Merry Christmas.

ALEXANDER COTTAGE

Dear Friends,

Everyone is feeling fine and hope you the same luck. We had a nice Thanksgiving Day all except it rained most of the day. We also had a good Home-coming day, it was fair weather. We played Lumberton, and won by the score of 32-0.

We are anxious to get our new barn finished.

We are looking forward to a good Christmas, for we are always happy to get out of school during the holidays.

A few of our boys got hurt or had an operation lately. Richard Moore had his appendix removed, and Marshall Wilson fell on a saw and cut his arm badly.

Our cottage hopes that everyone had a good Thanksgiving, and we wish you a merry Christmas and a happy New Year.

"Spunky".

OVER $31,000 HAD BEEN RECEIVED AT BARIUM BY DEC. 13

Friends throughout the Synod of North Carolina seem to be just as interested in the final outcome of the 1935 Thanksgiving response as Orphanage officials, but it is estimated that it will be three weeks yet before any definite announcement can be made as to the possible final total. However, on December 13th, the Thanksgiving aggregate from Synod was $31,100.43, which is approximately $3,000.00 more than had been received on the corresponding date of 1934.

Complete reports had been received from 325 of the churches on that date. Of this number, 191 had shown increases over the 1934 Thanksgiving Offerings, with 134 of them showing declines. Most of the latter are nominal decreases, with the exception of four churches, which reported Thanksgiving Offerings which are more than $100.00 less than those of last year.

Of the 191 churches which have sent larger amounts, 58 of them have reported the best Thanksgiving sums in 11 years.

NOVEMBER RECEIPTS SHOW IMPROVEMENT

Presbytery	November Receipts	Thanksgiving	Am't Rec. Mem.	Total Per Mem. for Year	Due now

The November table of receipts is presented herewith. The one published a year ago was better than the tabulation of November, 1933, and the one appearing today is still better than the report prepared for the same month of last year. This is not due entirely to the early arrival of Thanksgiving Offerings, either, for the regular income showed another increase in November.

In fact, the regular income last month was exactly $423.77 more than in November, 1934, and the Thanksgiving Offering received by November 30th increased approximately that same amount over November of last year. The November increase in regular receipts brings the sum to $1,704.67 more than it was a year ago.

The Synod of North Carolina, therefore, was 2.9 cents per member ahead of 1934-1935, and 2.1 cents of this increase came because of regular giving. The other eight-tenths of a cent was due to a slightly larger Thanksgiving Offering received in the past month.

Orange Presbytery's report of $2,221.78 of Thanksgiving Offering sent that Presbytery scampering forward from fifth to second place in the rating, and placed it one cent behind Winston-Salem Presbytery which maintains the lead. Orange's advance made Concord, Albemarle and Kings Mountain all drop back one notch each, and with the exception of this shifting downward by these three

FOOTBALL SEASON IS SUCCESSFUL AS TOLD IN RESUME PRESENTED

Barium Football Warriors Won Eight Tussles and Lost Only Two of Hard Schedule

FITTING CLIMAX

Orphanage Swamped Lumberton, 32 to 0, In Home-Coming Game

This is a resume of the football doings at Barium.

Early in September our little band of football warriors got together and commenced to mark out the campaign for the fall. Very little time was spent grieving for the six dependable boys who graduated at the last commencement.

The team was lighter than usual. It was a little faster than usual, and endowed with an unusual amount of determination. The first game was with Mooresville at Mooresville, and Mooresville was beaten 38-6. A great victory, did you say? No, nothing about which to be very proud. The Mooresville school had just been going a week; they had a new coach; and the boys hardly knew each other, much less their formations, when Barium played them.

A week later at Barium, the situation was quite different. Lexington was the opposition. They were 1934 South Piedmont champions and a team that had not been defeated since its last visit to Sloan Field two years ago. The result of the game was: Barium 6, Lexington 0. Ed Flowers was the boy making the touchdown, and he was the boy that had been watched closer by the Lexington team than any other.

A week later at Winston-Salem, Barium encountered another Orphanage team - the Children's Home, and suffered a 20-6 defeat. Barium's lone score came when Gaskill intercepted a Children's Home pass on Barium's three yard line, and ran the length of the field for a touchdown.

Incidentally, this Children's Home is the classiest high school football team in North Carolina. They are the Orphanage Champions; they would have been South Piedmont Champions if they had gotten enough games in the conference, and they wound up the season undefeated and untied. They defeated Greensboro 33-0 in the latter part of the season when their team had been very much weakened by injuries and boys leaving school.

October 11th was on open date for the Barium team. The boys took a rest, and the following week, Concord was met at Concord, where Barium was defeated 20-0. The game was really closer than the score indicated, as Barium practically handed Concord one of their touchdowns in a desperate attempt to score. Concord went through the season undefeated in the conference and are now the South Piedmont champions. Their victory over Barium was the first in nine years. We can not begrudge this grid team its victory. It was the team that played the first game on Sloan Field. They were the first team to score on it six years later, and they are good sports—win or lose.

On October 25th, at Barium, another All-Orphanage game was played. It was Mills Home this time, an up and coming Baptist team from Thomasville. The two teams battled it up and down the field with Barium showing a slight superiority, but not enough to cash in a touchdown, until a rather freakish play took place. The Mills Home fumbled, and while the ball was still in the air, it was grabbed by Charlie Gallyon, an end on the Barium team, who

Dear Mr. Johnston,

Just a line or two to let you know I am getting along fine.

Has Barium had any football games yet? I heard over the radio today, listening to the football scores, that Georgia Tech beat Duke, 6 to 0. Has Davidson lost any games?

The weather is getting cold here now.

How many are in the 5th grade this year? There are only 22 in our room.

Sorry to hear that the dairy barn burned down.

I see plenty of Indians out here. Dennis and I ride a horse about every day.

I haven't received The Barium Messenger yet. I thought maybe they had forgotten.

We use some words out here that they laugh at us, like if you say "You all, or branch instead of creek; and they don't know what a valley is, they call it a canyon. They can't hardly understand us. They say we talk like a nigger.

Tell Mrs. Johnston I am getting along fine and hello.

Yours truly,
Dallas.

Dear Mr. Brown:

A few weeks ago I told the boys in my Sunday School Class something of the History of Little Joe's Church. They were so interested that they wanted to make a small contribution and I am happy to send you this check for five dollars from us to be used as you think best.

They ask that you please write something about the Church that would be interesting for me to read to them.

Would you please remember me to Mrs. Brown and to Mr. and Mrs. Johnston.

Your friend,
Brandon Glasgow

WE FIND INFORMATION

From "Our Monthly" Published by Thornwell Orphanage.

In looking over the "Barium Springs Messenger", that comes out from and represents the work of the Orphanage of the Synod of North Carolina, located at Barium Springs, we found an exceedingly interesting bit of information.

For the first five months of the present Church Year, April 1 to August 31, the Sunday Schools of that Synod gave $1845.16 more than the Churches. This means that many Schools make regular monthly offerings to the Orphanage.

Some of ours do, but by far the larger number do not. The great Baptist Orphanage at Thomasville, N. C., is supported by the Sunday Schools and a Thanksgiving offering.

We are glad that a friend in the Synod has recently sent the Orphanage a letter, authorizing the treasurer to draw a draft upon him for $12.50 each month toward the support of a child. Quite a number of Men's Classes or clubs are today either wholly or partially supporting a child at Barium. One individual was doing this not long ago until his sudden death. This new friend is heartily welcomed to that increasing group that is making direct gifts for the support of a child—not merely the clothing needs but other needs as well.

—P. O. H.—

On one of the recent trips, an official of the Orphanage met Mrs. Minnie Reynolds Graham at Cameron. Mrs. Graham was among those who entered the institution the second year of its existence at Barium Springs. She came here in 1892 and left in 1905 after 13 years. We regretted to learn that Mrs. Graham has never visited the Orphanage since her departure. She would hardly recognize the place for the enlargement and changes which have taken place since 1905.

INFIRMARY

How can we write news when nothing happens here but the boys and girls coming to have their toes and fingers tied up.

We have so little sickness that we wonder what is the matter that they do not come to see us more often.

We had a nice Thanksgiving, no one was sick and every one was able to eat the good dinner that had been provided for them.

Before Thanksgiving we had a number of pleasant visitors from different parts of the state. We enjoyed having them come and allowing us to show them our home and the family that lives here.

We have had seven new children since we last wrote. They are enjoying their new home very much and Richard thinks he would rather milk a cow than pick potatoes, so he was sent to Alexander.

Good Reason

Johnnie—What makes the baby at your house cry so much, Tommie?

Tommie—If all your teeth were out, your hair off, and your legs so weak you couldn't stand on them, I just guess you would feel like crying."

FOOTBALL SEASON

(Continued From Page One)

ran for the lone touchdown, giving Barium the victory, 6-0.

The following week, at Kannapolis, Barium had a very lively afternoon, trying to avenge the defeat handed Barium by Kannapolis, on that same field two years before. The final score was: Barium 13, Kannapolis 7, and they were two tired teams when they left the field. By the way, that was the last time that Barium was scored on this season.

On November 8th, the big game on Barium's schedule was played. Barium vs. Statesville. There were in the neighborhood of 4,000 wild, excited fans viewing that game, and apparently yelling at the top of their voices all the time. The final score was: Barium 18, Statesville 0.

When the final statistics were added up on this game, it appeared that Barium might possibly have been two touchdowns better than Statesville, but hardly three. The trouble was that Statesville concentrated on the wrong man. While they were watching Flowers, David Spencer made big gains; and while they covered Gallyon for forward passes, it left Marley Sigmon open to make a touchdown. In spite of the three touchdown margin of victory, the Statesville team appeared to be the best in recent years, and they are definitely on the upgrade.

On November 15th, Barium journeyed to Hickory. The players were rather uneasy because they remembered that two years ago, Hickory took a favored Barium team all to pieces, to the tune of 25-0. This time, Barium avenged that defeat by a final score of 26-0, and the odd thing about it was that two former Hickory boys had the biggest part in this victory. Ralph and David Spencer, who came to Barium when they were 6 and 8 years old, have developed into two of the most consistent players that Barium has, and they led the Barium team to victory over the old home town. One of the prettiest plays in this game was Jessup, Barium's center, intercepting a pass and running 50 yards for a touchdown.

On November 22nd, Barium took on Belmont. Belmont was admittedly the weaker team. In the first quarter the varsity scored two touchdowns against Belmont. Then all the seniors were taken out and their places taken by boys who will no doubt be members of the 1936 team. They evidently got together in a huddle and decided to show up the seniors, because they made three touchdowns in their quarter.

The final score was: Barium 68, Belmont 0. And, during the game while Barium was amassing 10 touchdowns, they only made seven first downs.

The final game of the year was with Lumberton. It was a team unknown in this neck of the woods, but a fine looking team, nevertheless. They had an enviable record, having beaten one Junior College, tied another, and been mighty close to being their section's champions and runner-up for the eastern championship. The team was big, they knew football, and they were fast, but they were up against Barium on Home-Coming Day, and the combination was too much for them. Roy Wilson and Ralph Spencer were in Lumberton's backfield almost as soon as the ball got there, just spoiling their very best plays; and Barium's offense was just one step too fast for Lumberton, with the final score being: Barium 32, Lumberton 0.

Along with these varsity games, there were some most interesting midget games. Barium's 125-pound team went through the season undefeated, and one of their victories was over the Oxford Orphanage varsity. It so happened that Oxford Orphanage had such a light squad this year, they decided to only play the weaker Orphanage teams, or the second team of the stronger groups. They tied the Lexington Orphanage varsity, but were defeated by Barium's 125-pounders.

In addition to this, the 125-pound team beat Kannapolis twice, Concord twice, Statesville twice, and Mooresville twice, but in that second Mooresville game there was trouble. Mooresville scored by falling on a fumbled punt in the end zone, and there was only about a minute to go, when Barium finally started doing some-

(Continued On Page Three)

FOOTBALL SEASON

(Continued From Page Two)

thing. They carried the ball from the 40-yard line, and made the extra point to give them the final victory 7-6. And the last play was made just as the final whistle blew.

The 100-pound team was victorious in all of their non-Orphanage games. They lost two games to Oxford, and two to Children's Home; and split a pair with the National Orphanage of Lexington. But don't let anybody get you to thinking that this 100-pound bunch does not know its football. The 100-pound team representing the Children's Home and Oxford would beat a lot of varsity high school teams. You may wonder why. Well, come around some time in Greensboro and see them weigh in along about the fifteenth of September.

And now, the football season is over and nothing is left but to take pictures, to have a banquet, to select All-Conference players, etc.

December 13th, there will be a big banquet at Barium, to which not only will members of the Barium team be invited, but the All-Conference selections from the South Piedmont teams, together with their coaches.

This event is on Friday, the 13th of the month. Nobody is superstitious about it, although they might hesitate to play a game on such a date. They just figure that the chickens that will be consumed on that date are getting all the bad luck of which that day is capable.

In the All-State selection, one of our boys, Roy Wilson, was given a berth on the second team. Ed Flowers, the Barium Captain, was given a berth on the third team; Dewey Barnhill was given a place among those honorably mentioned; and then, one of Barium's former boys, Paul Pittman, has been getting a lot of mention for All-State, All-Southern, and All-everything. All of which is very pleasant reading to Barium folk.

GREAT HOME-COMING

(Continued From Page One)

pledged their gifts through their local churches and could not make any contribution through the Association. A good deal of the amount contributed came from beyond the state.

Many states were represented at the Home-Coming Day. Washington, D. C. furnished the longest single delegation, with six making the trip.

The Class of 1935 had the largest representation, with 11 of the original 18 being present.

Everybody had such a good time that it was almost impossible to get any group of them together. The oldest alumnus present was George Hipp of Charlotte. In fact, Home-Coming Day could not start unless George was present. The youngest present was six weeks old Erwin Huntley, the son of Edna Jackins Huntley. And by the way the nephew of the President of the Alumni Association.

Roy Wade, the first football captain that Barium ever had, was present. Also, Garland Caudill, Robert Wilkes and other football players of more recent date. A nice crowd, a nice day, and something mighty pleasant to think over until the next Home-Coming Day rolls around.

Marking The Depression Years

Often a civilization is marked by the habits, practices, follies, and amusements of its people. The Buffalo Times thus marks the rise of American civilization through the depression years:

1928—Cash and Carry Pyle's trans-continental bunion derby.
1929—Marathon dancers.
1930—Tom Thumb golf.
1931—Tree sitters.
1932—Bonus marchers.
1933—Jig-saw puzzles.
1934—Hog-calling contests.
1935—"Scratch out the top name and send a dime."

Maude (at baseball game): And what are those men away out there for?

Jack: They're fielders. They catch flies.

Maude: I wish you'd quit being so sarcastic when I ask a civil question.

Income Distribution

The distribution of income by Presbyteries and the three main sources within those Presbyteries was crowded out of the November issue of The Messenger, due to the front page display used, so the report appearing in the December issue of The Messenger will cover a two-month period. In those two months $3,248.42 has been received from Sunday Schools, $2,255.22 from church budgets, and $1,671.71 from Auxiliaries.

The Sunday Schools now have a lead of almost three thousand dollars over the gifts which have come to the Orphanage from the church budgets. This substantial lead is possible only because so many more Sunday Schools are helping regularly nowadays. The Sunday School total for eight months is $9,871.85, that of the church bugets is $6,875.21, and the total from the Auxiliaries is $4,738.84.

Mecklenburg and Concord Presbyteries are in the one-two positions in total reported from church budgets, but this is reversed in the Sunday School giving, for Concord has the lead, with Mecklenburg runner-up. Mecklenburg is ahead in Auxiliary giving, but that Presbytery is leading Orange by the scant margin of $1.02.

The distribution by scources by Presbyteries follows:

Presbytery	Ch.	S. S.	Aux.
Albe.	$ 316.27	$ 503.05	$705.87
Con.	1373 55	2010.12	538.70
Fay.	564.60	1486.31	467.98
Gran.	238 87	399.78	316.83
K. Mtn.	133.90	1158 52	428.79
Meck.	1830 99	1536.81	866.23
Or.	515 91	1438.99	865.21
Wil.	925.91	723.06	121.96
W.-S.	975.21	615.21	447.27
Totals	$6875.21	$9871.85	$4738.84

In October and November, regular gifts were reported from 31 more churches, contributions were received from 30 more Auxiliaries and 23 more Sunday Schools reported gifts. To date, 237 Sunday Schools have reported regular sums, 178 church budgets and 175 Auxiliaries. Concord Presbytery has 38 churches reporting budget gifts, followed by Mecklenburg with 25. Fayetteville leads in the number of Sunday Schools reporting with 44; Mecklenburg plays the runner-up roll with 37. In Auxiliary giving, the same one-two order exists between Fayetteville and Mecklenburg Presbyteries, with 35 and 31, respectively.

The number of organizations helping, arranged by Presbyteries, follow:

Presbytery	Ch.	S. S.	Aux.
Albemarle	15	18	16
Concord	38	30	19
Fayetteville	18	44	35
Granville	13	11	11
Kings Mtn.	7	23	12
Mecklenburg	25	37	31
Orange	23	29	28
Wilmington	21	35	13
Winston-Salem	18	10	10
Totals	178	237	175

Number of Meals

Using 10 cents per meal per child as an average, the Sunday School Offerings in the first eight months of 1935-1936 would have been sufficient to serve 98.719 meals to the children at Barium, which is 13,715 more than could have been served with the contributions for the first eight months of last year. That means that the Sunday Schools have contributed $1,371.50 more to date than they had sent to the Orphanage a year ago. This is rather remarkable, in the opinion of officials at Barium in view of the drastic effect which the infantile paralysis had upon the Sunday School Offerings this past summer.

The records by months for the two years is as follows:

Month	'34-'35	'35-'36
April	6,218	4,840
May	10,659	10,948
June	9,501	13,178
July	12,753	13,664
August	8,762	10,429
September	14,366	13,166
October	13,104	19,953
November	9,641	12,531
December	17,510	?
January	11,200	?
February	10,544	?
March	31,682	?
Totals	155.940	98,719

NOVEMBER RECEIPTS

(Continued From Page One)

Presbyteries the standing remains unaltered.

Orange is likewise leading in the increase per member as compard with last year. Orange is 7.7 cents ahead; Concord is 6.2 cents; Fayetteville 2.5 cents; Kings Mountain, 2.2 cents; and Mecklenburg and Wilmington are both 1.8 cents ahead each. The remaining three Presbyteries are behind their giving of a year ago; though it is hoped that it can be announced next month that every Presbytery has far surpassed its rating at the close on the third quarter of the year.

WHY NEWSPAPERS ARE LIKE WOMEN

Because the are thinner than they used to be.

Because they are bold face types.

Because they are easy to read.

Because you can't believe everything they say.

Because they carry the news where ever they go.

Because they have a great deal of influence.

Because they are not afraid to speak their minds.

Because if they know anything they usually tell it.

Because they always have the last word.

Because back numbers are not in demand.

—P. O. H.—

Rufus—How is you-all gettin' along wiv youah 'rithmetic?

Goofus—Well, I done learned to add de oughts, but de figgers bodder me.

—P. O. H.—

There are two things, Son, that are vitally necessary if you are to succeed in business.

What are they Dad?

Honesty and sagacity.

How do you define honesty?

Always—no matter what happens or how adversely it may affect you—always keep your word once you have given it.

And sagacity?

Never give your word.

—P. O. H.—

Mother (at dinner): "Johnnie, I do wish you would stop reaching for things. Haven't you got a tongue?"

Johnnie: "Yes, but my arm can reach farther."

Bacteria—Rear door of a cafeteria.

Minor—A man who digs coal.

Carat—A yellow vegetable.

"Make me a child again, just for tonight,"
Once said a Scotchman—and Scotsmen are tight.
"I'm leaving tonight on a boat trip to Ayr;
Make me a child and I'll travel half-fare."

Suffering from Politeness

Auntie: "Tommy, won't you have another piece of this shortcake?"

Tommy: "No, I thank you."

Auntie: "You seem to be suffering from loss of appetite."

Tommy: "It ain't loss of appetite. What I'm sufferin' from is politeness."

—P. O. H.—

At a banquet in Detroit the other evening the hostess served kidney beans, calf liver, beef heart, goose gizzards, brains, ox tail, and pig knuckles. The guests were young medical students who made hogs of themselves.
